

Feature Property

One of New Zealand's most rare and beautiful properties. North facing and absolute waterfront with it's own wharf, boat ramp, boat shed, craft room and outdoor entertaining area this amazing property is nestled on a small Island linked by a road causeway only twenty minutes drive from the central CBD.

Properties of this magnitude are rare anywhere in the world and only two years in completion this three bedroom, three bathroom, study and craft room this property boasts a two car garage doubling as a home theatre and music recording space. With full BACK TO BASE monitored security and video surveillance this property also has built in AV control and wired internet and telecommunications through out.

This property has a recent Code of Compliance certificate and is the jewell in the crown of Auckland waterside properties.
